We are a company dedicated to the recycling and reuse of American textile products. We divert used clothing, shoes, and textiles from the waste stream to those who need them. We make it convenient for people to recycle their unwanted clothing by organizing an efficient collection system and utilizing neighborhood drop-off bins. We save landfill space, preserve natural resources, and make affordable clothing available worldwide. We support local schools, churches and non-profit organizations through our fundraising program by giving back a monetary donation based on the amount collected at each site.
